

PRIVACY POLICY

Our Privacy Policy is compliant with the National Privacy Principles in the privacy ACT1988. We treat your privacy seriously. This privacy statement informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

Personal Information

Personal information is information that identifies you or could identify you. Personal information includes your name, your address, your telephone number, your email address, your credit card details, your IP address, your cookies and your ordering history.

Information Collection

We will collect personal information only from you. We will not collect sensitive information about you unless you have consented to such collection or the collection is required by law.

We will collect your personal information when you deal with us by email or by phone. We may collect the information that you choose to enter through the Site, including submissions that you make or content you provide on the Site. If you contact us, we may also keep a record of that contact.

Use of Information

We will use personal information for the following purposes:

- To process your orders for our products or services that you place with the Site.
- To undertake marketing promotional activities, such as loyalty programs and competitions.
- To assist in the management and improvement of services, including developing new products.
- To communicate with you.

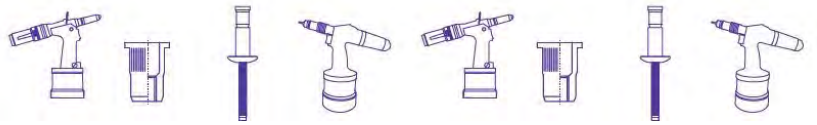

We do not share personal information with any other parties. We may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Storage of Data

We will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of the personal information. We will store all the personal information you provide on secure databases.

When we no longer require personal information, we will safely destroy the information and delete it from our systems.

TERMS & CONDITIONS

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

Changes to our Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on the Site. Please review this Privacy Policy periodically for any changes.
